### ***Air Travel to Juneau***

Alaska Air line is our year round carrier into Juneau. Delta also operates during the summer month. Juneau can be reached either through Seattle or Anchorage. I would recommend to arrive in Juneau one day before your hunt to make sure your luggage kept up with you especially on hunts when you are scheduled to fly out to us on a charter flight. Weather can be a factor affecting flight schedules especially on goat hunts. I recommend you purchase flexible tickets and purchase travel insurance to protect your investment.
